

SLINDON PARISH COUNCIL - GRANT POLICY

Policy Statement/Summary

The Council awards grants at its discretion to organisations that can demonstrate a clear need for financial support, and which will benefit the Parish by:

- Providing a service
- Enhancing the quality of life
- Improving the environment
- Promoting the Parish of Slindon in a positive way

An overall limit for the annual provision of grant aid will be determined as part of the budget setting process, although applications may be made throughout the year. These are public funds and the Parish Council must show that they have been properly spent.

Who can apply

Grant applications will be considered from community groups, voluntary organisations, educational and religious groups and sports/recreational clubs that operate on a not-for-profit basis supported by unpaid volunteers (please refer to 'Exclusions').

Applicants must be based in Slindon or demonstrate that use of the grant will benefit the residents of Slindon.

Only one grant application will usually be considered for any club, society, or organisation in any one financial year (1st April - 31st March).

Making an application

Applications may be made at any time using a form available from the clerk, who will be happy to assist should you have any questions or need help with completing or submitting the request.

All applications will be considered on their merits but in general grants will be awarded for specific projects or events.

Appropriate accounts, other supporting financial information or projected costings must accompany an application to detail the level of funding sought.

Applicants must specify the intended use of the grant and clearly explain the wider community benefits that will derive from the funding.

Constitutions, rules or other governing documents, names of officers and annual accounts must be submitted as part of the application process.

Re-adopted 14.8.2023. Review August 2024.

Please contact the clerk at clerk@slindonparishcouncil.gov.uk for further details or to request an application form.

Receiving a decision

Applications will be considered at a full council meeting and all applicants will be notified in writing of the Council's decision within 6 weeks of their application being received. Successful applications will receive the funds within 2 weeks of the date of this letter.

Terms and Conditions

A written report is required to confirm how the money has been spent including invoices and receipts to verify the expenditure.

No change to the use of the grant will be allowed without prior express written authority of the Parish Council.

Grants will not be awarded retrospectively, and all grants must be spent within 12 months of being awarded.

Failure to achieve the specified purpose of the grant within 12 months, or undertaking an unauthorised variation, shall require the recipient to return all the grant funding to the Parish Council.

The recipient must acknowledge the Slindon Parish Council as funders on all correspondence and publicity material or any item purchased in recognition of the grant funding from the Parish Council.

Recipients must declare that acceptance of the funding offered will not result in double funding. Any match or pooled funding, where declared, would not be considered double funding.

The Council's decision is final.
